Case 15

Mrs. Fatima 25yr old G2P2A0 and would like to start oral contraception pills, she has come to see you for advice about OCP. Discuss the subject with her and give her appropriate advice.

15.1 Can I use OCP?

.....

...

.....

....

.....

15.2 Explain to me please how I use this pill?

.....

.....

.....
.....
.....
.....
.....
.....

15.3 When I should return back to see me?

.....
.....
.....
.....
.....
.....

15.4 When I should stop the pills? Does minor S.E (nausea, breast tenderness and spotting) indication to stop the pills?

.....
.....
.....
.....
.....
.....

15.5 Do you have any instructions please?
